

### AMENDMENTS TO THE SPECIFICATION

Please amend the specification by replacing the following lines for the corresponding original lines.

Please replace Page 23, line 16 with the following amended paragraph:

-- in the case where the data files comprise or include HTML ~~HTLM~~ code, the files --

Please replace Page 24, lines 1-3 with the following amended paragraph:

-- For example, and without limitation, in the case where the data files represent a series of linked, hierarchically arranged web pages, data files related to or representing various ones of the pages may be grouped into subsets or web page regions. The data files--

Please replace Page 25, line 5 with the following amended paragraph:

-- previously sent to the data file receivers or a data file that is desired by the data file --

Please replace Page 25, line 8 with the following amended paragraph:

-- either previously sent to the data file receivers or a data file that is desired by the data--
